meetings.

## Third Annual Wilfredo Perez, Jr. Scholarship Fundraiser

On June 5, 2006, The John M. Glover Insurance Agency hosted the Third Annual Wilfredo Perez, Jr. Golf Classic at the Oak Hills Golf Course to help continue the funding the Wilfredo Perez, Jr. Scholarship Fund.

The 2005 scholarship was awarded to Katherine Figueroa bringing the monies donated to date to \$13,000. Katherine is attending UCONN and is maintaining a high grade point average.

For the non-golfers amongst us who would like to personally share in the memorializing of Pfc. Wilfredo Perez, Jr. by donating to this scholarship fund, you may do so by sending your tax-deductible contribution to the:

Perez Jr. Scholarship Fund,  
17 Pine Hill Avenue  
Norwalk, CT 06855

## TTD Commissioners Participate in Memorial Day Parade

Former Commissioner Dennis Santella and current Commissioners Paul Coggin and Tim Plunkett work to anchor the flag pole on the Shea/Magrath memorial float.

The TTD donated the rack body truck and members of the East Norwalk Improvement Association built and decorated a replica of the Shea/Magrath memorial honoring East Norwalk's two Congressional Medal of Honor recipients.

The District's meter truck displayed a banner saying "Honor Our Vets". Commissioners Brown, Coggin, and Plunkett drove the vehicles in the Memorial Day Parade.

Our meter truck decorated with "Honor Our Vets" sign waits at Vet's Park for the beginning of the Memorial Day Parade

Our rack body truck carrying a replica of the Shea/Magrath memorial honoring these two Medal of Honor winners sits waiting the beginning of the parade.

## Short-Circuit Feeder Cable Repaired on East Avenue

As you traveled up and down East Avenue in the past weeks, you may have noticed work being done in a manhole in front of our building at 215 East Avenue. A short-circuited underground cable feeding power from our substation on East

## Business of the Month

### Your Company Store

Located at 10 Fitch Street since 2003, Your Company Store has been serving the promotional products needs of Norwalk since 1986.

"Your Company Store" was created in 1986 by founder Paul Cook. Started as a Promotional Products representative organization, the company has grown into a production facility that can logo identify most any product with their in-house capabilities.

Now located at 10 Fitch Street, which was the home of "The Type Source" typesetting service for many years, Paul and Vice President of Marketing, Karen Lewis-Cook have turned "Your Company Store" into a unique business that does in-house screen printing to put your logo on a host of products from corporate tote bags and wearables to individual etched glass or laser engraved wooden awards.

With over 250,000 products available to put your logo on, "Your Company Store" can deliver some in-stock awards, plaques, and wearables the same day or the next day when absolutely necessary.

The Cook's are good East Norwalk neighbors who are generous supporters of youth athletics in Norwalk. You will see their ads and acknowledgements in many youth sports association's ad books.

Call Paul and Karen at 838-0490 or stop in and say hello the next time Your Company Name needs to be screen printed or embroidered on almost any product

Avenue to overhead lines on Fort Point Street was replaced recently. Personnel from Sullivan Cable Co. of Waterbury worked with TTD Electric Department line crews to complete the project. During construction customers were switched to backup lines so that no one was out of power. The project required the removal of asbestos fire proofing material from a manhole on East Avenue.
